FREEDOM DAY

CELEBRATING 2019

25 YEARS OF DEMOCRACY

South Africa is a better place to live in after 25 years of freedom. Since 1994, we have moved from an oppressive society to one which values human rights for all through advancing human development and restoring human dignity.

Our vibrant democracy is anchored by the Constitution which guarantees equal rights for all.

We must continue to build on the significant progress made in the past 25 years of freedom and democracy.

Let us work together to build a South Africa that works for everyone.
