

Notice to South African Citizens in Vietnam regarding the Covid 19 outbreak

1. Currently there is no evidence to support the emergency evacuation of South African citizens from Vietnam by the SA Government. Government remains sensitive to the anxieties of SA nationals in Vietnam in light of the Covid 19 outbreak and will respond appropriately as the situation develops.
2. South African citizens in Vietnam that feel unsafe or uncomfortable in the current circumstances do have the option to consider leaving via commercial means on their own accord and at their own cost while taking all financial-, work- or study implications into consideration.
3. SA Citizens in Vietnam are encouraged to register their presence in Vietnam with the SA Embassy in Hanoi by sending the following information to the mission at e-mail: (*consular.hanoi@dirco.gov.za*)
 - Full names and surname
 - ID no
 - Passport no
 - Age
 - Gender
 - E-mail address
 - Cell number
 - City
 - Full residential address in Vietnam
 - Health status
 - Position in Vietnam (Student, teacher etc.)
